

It is the policy of TCHD's Healthcare Clinic and Alcohol and Addiction Program to provide essential services. Discounts are offered based on family size and annual income. Please complete the following information and return to the appropriate department to determine eligibility.

The discount will apply to all services received at this clinic, but not those services or equipment that are purchased from outside, including reference laboratory testing, drugs, and x-ray interpretation by a consulting radiologist, and other such services. This form must be completed every 12 months or if your financial situation changes. Immunizations are not included in the sliding fee discount program.
