Tuscarawas County Health Department Hosts Art Contest

DOVER—Construction at the Tuscarawas County Health Department (TCHD) building is nearly complete, and TCHD officials are inviting artists to submit their original artwork to help decorate the office walls. Artists of all ages are welcome to participate by submitting their original framed art, or canvas art, of any size by 4 pm on Friday, February 27th. High quality prints of original artwork will also be considered. Preference will be given to art that focuses on public health or the Tuscarawas County community, and submissions must be made in person at TCHD, 897 East Iron Avenue, Dover. All contest winners will be recognized and have their artwork displayed at TCHD.

“We are excited to showcase the work of local artists on our walls,” noted Katie Seward, MPH, MBA, Tuscarawas County Health Commissioner. “Thousands of community residents enter our building each year for services, and we know our visitors will be inspired by the creative art on display. We look forward to honoring the winners at a community open house to be held this Spring.”

All artwork submitted to the TCHD Art Competition will become the property of TCHD. Those with questions are invited to email jdemuth@tchdnow.org or call 330-343-5555, ext. 1700.
