Older adults are at a heightened risk of contracting COVID-19 and having more serious complications. We know that issues of isolation and loneliness may increase as family members resume their normal routines. Isolation can have serious emotional and physical impacts on any of us, but especially on older adults. Ensure that the older adults in your life are staying connected by following the steps below!

Department of Aging

# Staying CONNECTED

The Ohio Department of Aging (ODA) is offering a **FREE**, daily check-in by phone for Ohioans age 60 or older. This service can also connect you with aging network information and support.

Register online at [www.aging.ohio.gov](http://www.aging.ohio.gov) (preferred, if able)  
 -OR-  
 Call **1-833-ODA-CHAT** (1-833-632-2428)

## PROGRAM OVERVIEW

Check-in calls will be made from 7 a.m. – 6 p.m. daily. You choose the time that suits you. You can place a hold on these calls at any time.

## WHO CAN PARTICIPATE

Ohio residents age 60 or older who:

- Have a valid phone number (mobile or landline).
- Provide an alternate contact (preferred but not required).

## HOW IT WORKS

ODA will make three attempts to contact you. When you respond, you have these options:

- 1 Confirm you are OK.
- 2 Transfer to learn more about aging services in your area.

If you do not answer after three attempts, ODA:

- Reaches out to your alternate contact, if one is provided.
- Places a live call to you and your alternate, if previous contacts fail.
- Notifies local non-emergency services (e.g., sheriff's office) if live call fails to connect.\*

\*This is a non-emergency service. If you have an emergency call 9-1-1.

## REGISTRATION INFORMATION
