

Health Education BOH Report: January 2022

Car Seats:

In January, Health Ed distributed three (3) convertible car seats and one (1) high-back booster seat.

Conducted two (2) fitting stations check, with a misuse rate of 50%. Completed one (1) fitting station call.

Received two (2) referrals from community partners for Ohio Buckles Buckeyes.

Received shipment of car seats and boosters on January 21, 2022.

Continued to screen all callers inquiring about health ed programs for car seat and/or booster needs.

Natasha pulled the data for 2021 car seat distribution for Katie.

COVID-19:

Health Education has started to shift out of the COVID-19 response. However, with the changes by ODH, TCHD has resumed a more normal workload.

Natasha completed expenditure reports for December for COVID grants.

Cribs for Kids:

Abigale submitted the Cribs for Kids monthly report.

Received two (2) referrals from community partners, and one (1) self-referral for Cribs for Kids.

Natasha pulled the data for 2021 Cribs for Kids distribution for Katie.

Emergency Preparedness:

Natasha and Abigale worked on and submitted the application for PHEP FY23.

Natasha submitted PHEP quarterly expenditure report.

Accreditation:

The 3rd Annual Report opened on January 1, 2022. This will be due by 3/31/2022.

2022 Goals for Health Education

The same as 2021: Cross train all department staff on each of the grants/programs that are offered.

New:

Create performance measures for the year.

Review and update the Health Education plan.

Work on creating a child injury report to target programming.

Public Health
Prevent. Promote. Protect.

Tuscarawas County Health Department

Health Education BOH Report: January 2022

Epidemiology

The January numbers have not been calculated yet, as Natasha has been working on the annual report data.

Events

No events were held in the month of January.

General Health Education

Abigale provided flyers for all Health Ed programs for TCHD representative to provide at the Early Childhood Coordinating Committee meeting on January 06, 2022.

Abigale posted a monthly Stall Talk flyer for January about human trafficking awareness and created an infographic for National Heart Month in February.

Natasha has been reviewing applications for the Public Health Educator position.

Natasha, Abigale, Autumn, and Kelly all met prior to Kelly leaving to go over her roles and responsibilities.

Project Dawn:

During January 2022, TCHD distributed 23 Naloxone kits, trained 22 people, and 4 known reversals. That is a decrease of 52% of kits distributed December 2021 to January 2022.

Safe Beginnings:

Abigale registered four (4) families for the Safe Beginnings program, completed two (2) educational sessions via phone, and completed two (2) car side concrete safety equipment pick-up appointments. The concrete safety equipment disseminated includes: two (2) cribs, two (2) mattresses, one (1) toddler bed, and one (1) baby monitor.

Kelly and Abigale submitted an invoice for \$2,501.97. This amount will cover staff time and equipment for the month of December.

Abigale submitted an updated flyer for Safe Beginnings for approval.

Health Education BOH Report: January 2022

Natasha pulled the data for 2021 Safe Beginnings distribution for Katie.

Safe Communities:

Abigale delivered materials for an upcoming Safe Driving Contest for students at Buckeye Career Center including fifty (50) assorted magnets for drunk and impaired driving, current Tuscarawas County statistics and other virtual resources.

Abigale ordered free sample Safe Driving passports to distribute at events from SADD.

Social Media: three (3) tweets on CIOT (total reach 371); two (2) tweets on distracted driving (total reach 304); one (1) Instagram post on CIOT; two (2) facebook posts on CIOT (total reach 5,841); one (1) facebook post on distracted driving (total reach 2,507); one (1) facebook post on traffic fatality release (total reach 3,412); and one (1) facebook post on traffic safety survey (total reach 3,854).

Tobacco:

Abigale created a flyer for secondhand smoke and vaping.

TCHD distributed 250 MyLife MyQuit cards to Buckeye Career Center.

Autumn Poland attended the CADCA Forum National Conference in Washington DC along with Jodi Salvo from the Tuscarawas Anti-Drug Coalition. The event provided opportunities for education on tobacco/vaping related topics, policy work, coalition building and opportunities to network with prevention specialists from around the country as well as networking with our federally elected officials.

Autumn also attended meetings for the TU22 ODH grant, Tusc ADC, Apportis (Health Equity) and the 922 Coalition. Along with Kelly Snyder and Abigale Raber, TCHD hosted the monthly ASC Vaping Task Force Meeting.

Natasha submitted the Tobacco quarterly expenditure report.

Traffic Safety:

From January 1, 2022 – January 31, 2022, the State Highway Patrol reported a total of 186 vehicle crashes investigated in Tuscarawas County. Of the 186 crashes investigated, Tuscarawas County has experienced 2 fatal crashes. When comparing January 2022 to January 2021, Tuscarawas County is reporting an increase of crashes investigated by 5.7% and fatal crashes increased by two (2).
