---

Natasha attended virtual store audit training.

# Health Education BOH Report: October 2021

Autumn attended the monthly ODH All Call as required.

Completed October deliverables: expending for \$3,200

Autumn with the assistance of the Anti-Drug Coalition secured approval for a Community Wide Project with Leadership Tusc to focus on increasing knowledge of awareness of cessation resources by 5% in Tuscarawas County. The project includes a partnership with 10 area businesses for tobacco cessation and tobacco free policy reviews as well as a Tobacco Take Back day.

Continued work was done with the Apportis group and Claymont Schools for project implementation in our target Health Equity region.

Autumn held meetings with the 922 Initiative to move forward with the strategic planning process.

## Traffic Safety:

From January 1, 2021 – November 8, 2021, the State Highway Patrol reported a total of 1,907 vehicle crashes investigated in Tuscarawas County. Of the 1,907 crashes investigated, Tuscarawas County has experienced 9 fatal crashes resulting in 10 fatalities. In 2020, Tuscarawas County experienced 11 fatal crashes with 14 fatalities.
