### **Tuscarawas County Health Department Offers Sports Physicals**

DOVER—Parents and caregivers of local school athletes are invited to make an appointment to participate in the Tuscarawas County Health Department’s special Sports Physical Days to be held from 8 am to 3:20 pm on Mondays and Tuesdays, June 6, 7, 13 and 14. During these special days, sports physicals will be provided for \$40, payable by cash, check, debit, or credit card. Appointments can be made by calling 330-343-5555, extension 174 or 181.

During the sports physical days, back-to-school immunizations will also be offered at an additional charge. Immunization fees will be billed to medical insurance or be charged a \$21 administration fee per vaccine for those who are income eligible.

Athletes 18 and younger who cannot attend during the special days may call to request a sports physical appointment for an alternate day at the same \$40 fee. To avoid unnecessary crowding in waiting areas, it is asked that only one parent or guardian attend the sports physical appointment with the athlete. Additionally, all athletes are asked to bring their school’s physical forms to the appointment.

“Our Medical Services team is looking forward to helping local athletes get their required physicals so that they can safely participate in school sports events,” noted Amy Kaser, Director of Nursing at the Tuscarawas County Health Department.

To participate in the Tuscarawas County Health Department’s special Sports Physical Days, please make an appointment by calling 330-343-5555, ext. 174, or 181.
