These are the vaccine distributors in Tuscarawas County we are aware of as of December 27th, 2021. We will continue to update this list as we become aware of additional vaccine providers. Please note that some providers that were previously on this list may have been removed if they have a pre-established waitlist and are not expecting any additional vaccine deliveries at the present time. We encourage you to check with your local pharmacy for more information on vaccine availability.
