Tuscarawas County:

LEVEL 1

(as of 8/06/2020)

This is the first week since the Ohio Public Health Advisory System was initiated that Tuscarawas County has been designated as a Risk Level 1 County. To be classified a Risk Level 1, 0 to 1 of the 7 indicators must be met. Tuscarawas County meets the indicator circled below:

1. 50 cases/ 100,000 Most Recent 2-weeks	2. New Cases Trajectory increase over a 5 day period	3. Proportion in Non- Congregate Settings (LTC)	4. COVID-like ED Trajectory increase over a 5 day period	5. COVID-like OP Trajectory increase over a 5 day period	6. Hospitalization Trajectory increase over a 5 day period	7. >80% threshold for capacity + 20% COVID ICU
---	---	--	---	---	---	---

For indicator 3 above, "LTC" represents long term care facilities. For a detailed explanation of the 7 indicators, visit <https://coronavirus.ohio.gov/static/OPHASM/Summary-Alert-Indicators.pdf>
For information about the indicators for all Ohio counties, visit <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/public-health-advisory-system/>

Tuscarawas County Health Department's Current Situational Goal:

Continue to provide timely and accurate information to the public and stakeholders while protecting patient confidentiality and minimizing the spread of the virus through contact tracing, notification, and tracking.
